NOTICE OF ARTIFICIAL INTELLIGENCE USE IN YOUR CARE
ACKNOWLEDGMENT OF RECEIPT

PREMIER MEDICAL ASSOCIATES, PLLC
110 E Savannah Ave Bldg A 102, McAllen, TX 78503
(956) 627-1538 | care@pma-rgv.com
Effective November 1, 2026

Premier Medical Associates, PLLC uses artificial intelligence (AI) in connection with health care services and treatment. This notice describes the Practice's current use as of the effective date and gives advance notice of additional AI categories the Practice may adopt. Texas law requires this disclosure.

How the Practice currently uses AI

As of the effective date, the Practice uses an AI-assisted documentation tool to capture and process audio from some visits and help prepare draft visit notes. It organizes information discussed during the visit, including diagnoses stated by your physician or physician assistant. It does not make diagnoses, recommend treatment, provide clinical decision support, perform coding or billing, or communicate with patients.

How the Practice may use AI in the future

As technology changes, the Practice may adopt AI tools that:

- organize or summarize medical records and other clinical information;
- assist with scheduling, coding, billing, insurance claims, and other administrative functions;
- analyze medical records, clinical information, laboratory results, or images and assist practitioners in considering diagnoses or treatment options; and
- assist with patient communications. If you communicate directly with an AI system, the Practice will identify that AI is involved.

This notice also applies if these additional uses are adopted. The tools, vendors, and functions may change over time.

Your physician or physician assistant remains responsible for your care

YOUR PHYSICIAN OR PHYSICIAN ASSISTANT MAKES THE ULTIMATE DECISION ABOUT YOUR CARE. AI DOES NOT REPLACE THE PROFESSIONAL JUDGMENT OF YOUR PHYSICIAN OR PHYSICIAN ASSISTANT. YOUR PHYSICIAN OR PHYSICIAN ASSISTANT REVIEWS AND APPROVES AI-CREATED MEDICAL RECORDS AS REQUIRED BY LAW AND THE MEDICAL RECORDS STANDARDS OF THE TEXAS MEDICAL BOARD.

Your health information

AI tools may process information discussed during visits and information in your medical record. The Practice and its service providers must protect it as required by law. This notice does not change the Practice's Notice of Privacy Practices.

Questions

You do not need to take any action. Ask your physician, your physician assistant, or the Practice Manager if you have questions about how AI is used in your care.
